I. Definition of recognition of CPD/CME activities

CPD/CME activities get recognised when the standard pathway of EACCME® accreditation is not followed but the activity has widely recognised educational and/or CPD value (i.e. publication in a peer review journal with an established and recognized editorial process) and the medical specialist has decided to obtain CPD/CME credits for an activity that has been certified for high quality in a process other than CPD/CME accreditation (i.e. peer review of an article, acceptance of the lecture/paper for presentation at an accredited CPD/CME event etc.).

The EACCME® recognises the following activities:

- **Reviewing scientific and educational material (REV)**
- **Publishing scientific and educational material (PUB)**
- **Learning by Teaching (LbT)**
- **Examiner in a UEMS exam**
